

Kisses 4 me

The Ready To Play Style “Kisses 4 me” is based on a Country Fox Style typical for the Music of the 70’s and made for playing the Song “Save your kisses for me” from Brotherhood of Man. The British Group won the European Song Contest in 1976 performing this title.

I started by selecting the Internal Style “Country Fox” and went into the Style Make Up Tools for changing some sounds and for adjusting levels to suit the modified sound texture.

Every Sound can be equalized for keeping the Style transparent.

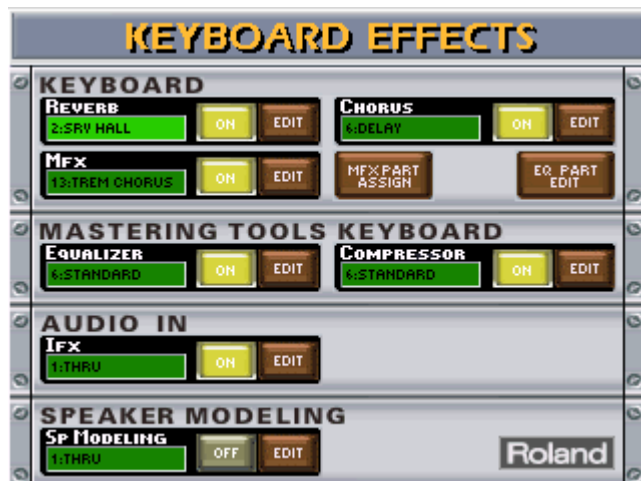

From there I set the focus on the Melody Sounds. (please refer to Playing Instructions)

Now, the most important parts in creating high quality Registration Data begin:

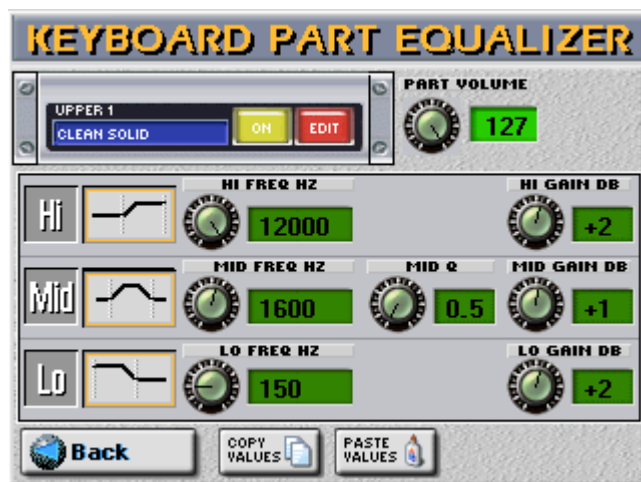

The Mixing.

The selection and adjustment of nice Effects like Reverb, Chorus, Delay, etc ...

For the final adjustment I even used the individual Part Equalizer. This helps keeping the Sound transparent, clear and still warm and gentle.

Playing Instructions:

The MA Program (Music Assistant User Program) "Kisses 4 me" is using Glockenspiel spiced up with a Synth Bell, made for playing the Introduction of the Song.

On OTP 1 (One Touch Program) there is a Whistle Sound for playing the 1st Verse.

OTP 2 is using a Harmonica for playing the 2nd Verse.

Switch to OTP 3 for playing the Chorus with gentle Drawbar Organ Sound smoothly supported by a Synth Bell.

Use OTP 4 is using a stronger Drawbar Sound than OTP 3 layered with a D 50 Fantasy Sound.

You can hear the result by listening to the mp3 Sound Example.

I hope you enjoy playing with my RTP Styles as much as I do.

Yours sincerely
